Durability just got
better looking.

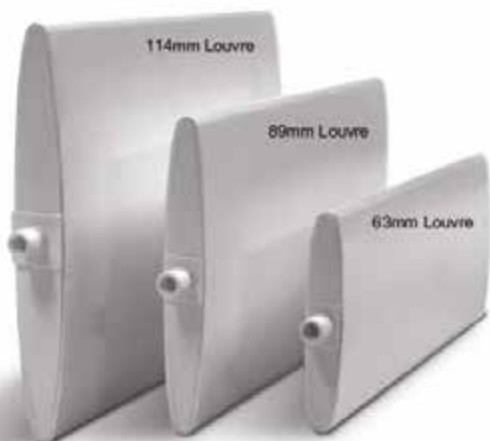

Luxaflex® Classic Shutters with PolySatin™ finish

Introducing PolySatin™ finish, a revolutionary technology for Luxaflex® Classic Shutters that achieves the natural look of a premium painted shutter.

Luxaflex® Classic Shutters with PolySatin™ finish will not fade, crack, chip, peel or warp, and will always look as luxurious as the day they were installed.

NEW POLY *Satin*[™]
FINISH

Luxaflex[®] Classic Shutters
with PolySatin[™] finish achieves
the look of real wood.

Luxaflex[®] Classic Shutters with PolySatin[™] finish bring elegance to any interior with the soft, matte lustre of freshly painted wood. From harsh summers to cold winters, the indestructible beauty of Luxaflex[®] Classic Shutters with PolySatin[™] finish will last a lifetime.
