

# The Art of Window Styling

Attractive windows & the perfect light can change everything from your room to your mood

## Luxaflex® - the Art of Window Styling

For over 60 years we've mastered the art of window styling with our exclusive custom made window treatments and styles to suit any window size or shape. At Luxaflex® great products start with great design - light control, energy efficiency, privacy and child safe operation are just some of the features that make your home smarter and every window more stylish.

## Innovation - Quality - Style

Our international design team creates exclusive colours, patterns and designs, with on trend looks to reflect your personal style. Our commitment to quality means every product in our collection has been rigorously tested to meet the Luxaflex® quality guarantee and give you years of pleasure and beautiful light control.

## Privacy and Light Control

Our products are designed with a range of flexible light control and privacy options in an exclusive range of fabrics, materials and opacities from sheer to opaque to room darkening. Our innovative manual and motorised operating systems provide you with flexible privacy and light control options.

## Sustainable Design

Luxaflex® contributes to a more sustainable and healthy environment through the careful design of our innovative products, the responsible materials we select and the latest production techniques that support sustainability. Recycling materials and continually sending fewer materials to landfill are key parts of our commitment.

## Designed with Safety in Mind

There are many different ways to enjoy safe and effortless operation of your Luxaflex® products with innovative child safe controls for every window in your home. With cordless and motorised operating systems, Luxaflex® offers award winning options for enhanced child safety.

## Get Expert Advice

Our friendly, talented retailers are especially selected for their knowledge and are experts on our products. With years of experience in custom made Luxaflex® window treatments, they'll help you work out your ideas, likes and dislikes and give you advise on material choices and operating options or other aspects that you may not have considered for light control, privacy and safety.

# Twist® Blinds

Simple operation, Sophisticated light control

An innovative take on the classic roller blind, our Twist® Blinds are a stylish way to manage mood and light and made to measure for every window. Effortlessly slide the two stylish fabrics past each other in an open, half open or completely closed position to create the right mood for your home. Reduce glare watching TV or add discreet privacy in the bathroom. Choose from shimmering fabrics, airy sheers and on trend colours to create your design story with our wide range of fabric choices that are guaranteed to transform the look and feel of a room.

*Our collection features a vast range of on trend pastels, luxurious metallics and warm, natural tones. Each style transforms the quality of the light as it slides over the slats, adding an extra design dimension to the room.*

*Decorative woven tapes compliment your Venetian blinds with a coordinating or contrasting finish and take your design to the next level.*

# Venetian Blinds

A design classic for modern living -  
made to measure

Flexible light control, precision engineered construction and unique designs, our Venetian Blinds deliver on both style and comfort. From classic sleek aluminium to super matte looks in on-trend pastels, you'll find the perfect finish for your décor. From light reflecting metallics to shifting ombre tones. Add a finishing touch with an elegant woven tape to compliment or contrast, and take your Venetian Blind design to the next level.

# Wood Blinds

Bring character and warmth to your windows

The finest materials combined with Luxaflex® made to measure precision to create a window blind design you can enjoy every day. The Luxaflex® Wood Blind collection includes natural hardwood

and faux wood that deliver style with added durability: ideal for bathrooms and kitchens. Add interest with rich natural grains or choose sleek painted tones in modern grey's to on trend colours to

add unique style to your home. Our FSC® certified wood is ethically sourced and grown from sustainable forests, so you can enjoy them with peace of mind.

# Silhouette® Shades

Light loving fabrics in luminous floating vanes

Superbly stylish Silhouette® Shades take the harshest sunlight and smoothly transform it into beautifully diffused natural light. Simply tilt the fabric vanes to enjoy the daylight whilst filtering out brightness, glare and UV rays. Our technically advanced fabrics enhance natural light whilst delivering unspoilt views. Enjoy on trend colours, neutral classics, soft sheers and shimmering metallic looks - our expanded fabric range offers limitless design options. Luxaflex® Silhouette® Shades are tailored exactly for you so you can enjoy a design that looks great and works beautifully.

# Duette® Shades

Smart home ready, energy saving and endlessly versatile

The unique design of Duette® Shades works with nature to enhance the look and feel of your home. Beautiful and clever. Precision crafted for over 30 years, Duette® Shades' unique cell structure naturally regulates the temperature of a room, softens ambient noise and reduces energy costs. All whilst gently filtering daylight. We've created three fabric transparencies in trendy colours, so you can manage each window individually and still create a coherent look for your home.

## LiteRise®

The revolutionary Luxaflex® LiteRise® system makes raising and lowering your window treatments easier than ever. Simply push up to raise and pull down to lower - your shades stay right where you put them.

LiteRise® is available with Duette® Shades and Silhouette® Shades.

## SmartCord®

Award winning Luxaflex® SmartCord® uses a retractable cord that always remains the same length when opening or closing your blind.

SmartCord® is available with Duette® Shades and Silhouette® Shades.
